LIVE FULLY ACT JUSTLY

OUR COLLEGE PILLARS:

Prayer, Learning, Compassion, Stewardship

We need to work together to live out our Motto. This can be done through understanding and upholding our Pillars

A young boy with short dark hair is smiling broadly and hugging a woman with long brown hair. The woman is partially visible on the left side of the frame. The background is a plain, light color.

I have learned that
I will not change
the world.

Jesus will do that.

I can, however,
change the world
for one person.

So I keep loving
one person at a time.
Because this is
my call as a
follower of Jesus.

- Katie Davis

PRAYER

Through prayer we can achieve the impossible. Each one of us can make a difference no matter how big or small. Every prayer and good intention counts

LEARNING

As part of the learning, we need to recognise a need and act upon it as Mary Mackillop states – *'never see a need without doing anything about it.'*

COMPASSION

Together we can see our community grow in compassion. Bringing out the smiles and working on leaving them there

STEWARDSHIP

Taking care of our world, the people, the place, taking on some responsibility, so that we can make a difference where it counts and where it matters.

We need to recognise the gifts God has given us and share these gifts with others in our communities near and far.

DOLLAR A DAY

We will be asking you to donate a \$1.00 a day until the end of term.
The aim is for each student to donate \$25.00 in total, over the course of the term.

We as a homeroom need to collect the following amount (no. of students x \$25)

Imagine what we can achieve to create a more just world.

Our money meter will be our guide
