Required items

All items on the Resource List are required items unless labelled as *optional*.

Digital textbooks

Digital resources will be available for students via the Campion MyConnect Portal by 2 December 2022. Students do not need to set up accounts for digital resources purchased on the resource list. Students will be guided through their first login to MyConnect in class.

The mathematics textbooks should be purchased through the Campion Education booklist. This ensures students can access their textbook through the MyConnect Portal without the need for an additional password. The MyConnect Portal also enables teachers to monitor completion of online tasks and provide additional notes in the online textbook.

Digital Learning Resource Bundle

The Digital Learning Resource Bundle is a compulsory purchase. The Digital Resource Bundle includes *To Know, Worship and Love, Ed Puzzle, Stile, ClickView*, and *Padlet*. For Year 9 students, the bundle also includes *Stile X*.

The bundle has been included as a package in the Religious Education subject on the Resource List to ensure families purchase the product once only.

Bibles

At all year levels, students studying Religious Education are required to have a Bible. This can be retained from previous years.

The preferred bible is Holy Bible NRSV Catholic Edition.

For students that own a bible, other acceptable versions include:

- Revised Standard Version (RSV)
- New Revised Standard Version (NRSV)
- New Jerusalem Bible (NJB)
- Good News Bible (GNB).

Headphones

Students studying Music are required to have headphones with volume control and 3.5mm stereo plug. Note: Cordless ear pod style headphones are not compatible with college music instruments and recording devices.

Headphones are also used in Languages classes, for NAPLAN testing and other subjects.
