A group of four young children, two boys and two girls, are smiling and looking towards the camera. They are outdoors in a rural setting with a wooden building and trees in the background. The children are wearing simple, everyday clothing. The overall mood is warm and positive.

# Prayer

Through prayer we can achieve the impossible.  
Each one of us can make a difference no matter how big or small...  
Every prayer and good intention counts.

God, you have given all peoples a common origin.  
It is your will that they be gathered together as one family in yourself.  
Fill the hearts of humankind with the fire of your love and with the desire to ensure justice for all.  
By sharing the good things you give us, may we secure an equality  
For all our brothers and sisters throughout the world.  
May there be an end to division, strife, and war.  
May there be a dawning of a truly human society built on love and peace.  
We ask this in your name.

*Amen*

A young woman in a yellow shirt is looking down, possibly at a book or paper, in a classroom setting. The background shows other students and windows with blinds. The word "Learning" is written in a large, blue, cursive font across the middle of the image.

# Learning

As part of the learning, we need to recognise a need and act upon it as St. Mary Mackillop states, never see a need without doing anything about it.

# Compassion

Together we can watch our community grow in compassion to foster empathy, connection, and ultimately, enrich the lives of our Ugandan brothers and sisters.

# Stewardship

Taking care of our world, the people, the place, taking on some responsibility, so that we can make a difference where it counts and where it matters.

We need to recognise the gifts God has given us and share them gifts with others in our communities near and far.

# Donation

We kindly ask that each family donates \$20

*Together* we can do this
